SERIES.

G.O. NO.	2689.
Dated	28th December 1953.

In connection with the Part II of the Budget Estimates for 1954-55, I submit for the favourable consideration of Government, the following proposal for the appointment of an Attender Grade I for the Science Laboratory of the Government Training College, Mangalore.

2. While there are laboratory attenders in the Teachers College, Saidapet and the Government Training College, Kozhikode, there is no such post in the Government College, Mangalore. An Attender for the Science Laboratory in the College is necessary. An extract from the letter from the Principal explaining the need for the post is enclosed. In the circumstances I request that Government may sanction the employment of an Attender (Grade I) in the Government Training College, Mangalore from 1-7-1954

3. The Immediate and ultimate costs involved in the proposal are as shown below.

Immediate cost

Pay	@ Rs.24/-	24 x 8	...	Rs.192/-
Dearness Allowance	@ Rs.19/-	19 x 8	...	Rs.152/-
House Rent Allowance	@ Rs.5/-	5 x 8	...	Rs. 40/-
			Total...	Rs. 384/-

Ultimate Cost

Pay	@ Rs.32½	32½ x 12	Rs.390
Dearness Allowance	@ Rs.19/-	19 x 12	Rs.228
House Rent Allowance	@ Rs.5/-	5 x 12	Rs. 60
		Total ..	Rs.678/-

4. I have included the necessary provision in Part II of the Budget Estimate for 1954-55.

Yours faithfully,

For Director of Public Instruction

An extract from the letter dated 7-9-1953 from the Principal, Government Training College, Mangalore.

I beg to submit that a Laboratory Attender's post has not been sanctioned for this College yet, even though the University Commission has stressed the need for an attender's post. In this connection I beg to submit that with the addition of stores and equipment every year, there is greater need to take adequate care in the maintenance of these stores and equipment including costly apparatuses. Constant attention has to be paid to all the equipment especially in a place like Mangalore where humid weather conditions persist for a considerable portion of the year. A qualified attender is therefore necessary to look after the stores and equipment

Moreover, the number of B.T. students in the Science Section has gone upto 28. They have to be given assignment in practical work to satisfy the B.T. syllabus. It is not always possible to finish all the items of practical work in schools where the trainees undergo their apprenticeship. At best they could finish half a dozen experiments connected with the topics they teach. Other items of practical work such as collection and preservation of plants and animals, dissection of common animals, microscopical study, preparation of microslides of plant tissues, preparation of lantern slides, and photography do require guidance by the lecturer in the laboratory. For such work an attender is necessary to help the lecturer in arranging and conducting practical classes.

laboratory attendant in the Teachers' College, Saidapet and the Govt Training College, Kanyakumari. No similar post is found in the Govt Training College at Mangalore. The Principal has fully justified the need for a post of attendant in the said College. This Deptt may therefore support the proposal of the Director for the creation of the post of an attendant in the Govt Training College at Mangalore. As the ultimate Govt involved in ~~loss~~ the proposal is only Rs 678/- ; it does not appear necessary to treat the proposal as a Part II/Sch for 1954-55 as suggested by the Dwce Finance may see for remarks

do not exceed Rs. 2500/- p.a. need not be treated as Part II scheme. In the circumstances stated by the Principal in this letter at p. 2 c.f, Finance may agree to the proposal of H.E.L.A. to sanction the post of a ~~Laboratory~~ attender (Grade I) w.e.f. 1-7-54 for the Govt. Trag. College, Mangalore, without treating it as Part II scheme. The period of sanction may be for one year in the first instance.

[The extra cost is Rs 678/- p.a]
